Terms and Conditions

- The Fund Transfer Programme is available to any Main or Joint Account Holder ("Customer") whose CreditAble account ("CreditAble Account") is in good standing as determined by Maybank.
- The Customer may apply for the outstanding balance(s) to be transferred (the "Fund Transfer") from any credit card or credit line account(s) held with any bank or financial institution in Singapore, other than Maybank, to the CreditAble Account.
- The Customer is obliged to continue making payments to the credit card or credit line account(s) until he/she has received confirmation that the relevant account(s) has been successfully credited. Maybank shall not be liable for any overdue payment or interest incurred.
- The Fund Transfer amount is capped at a maximum of 95% of your total available Credit Limit at the time of processing. Maybank has the absolute discretion to approve or decline any application, determine the approved Fund Transfer amount and where there is more than one Fund Transfer amount, structure the Fund Transfer amounts in any manner it deems fit without giving any reason thereof. Maybank shall impose the applicable processing fee and interest rate according to the Fund Transfer amount approved by Maybank.
- The Fund Transfer promotional interest rate is applicable only to the Fund Transfer(s) and not to existing outstanding balances or amounts subsequently incurred on the Customer's CreditAble Account. Where the promotional interest rate is not selected by the Customer in the application or the selected rate is inconsistent with the Fund Transfer amount, Maybank reserves the right to determine the rate based on the Fund Transfer amount.
- Processing fee (if any) is at such rate as determined by Maybank and is non-refundable, and will apply for each approved Fund Transfer transaction.
- The minimum monthly repayment for your Fund Transfer Account(s) that starts with 04133XXXXXX is 3% of total payment due or S\$10, whichever is higher. The required minimum amount payable shall include any outstanding amount ("Past Due") from your previous statements.
- Default interest rate of 25.8% per annum will be applied the day after the due date if the minimum payment is not made for two consecutive statements. The interest rate will be reinstated to the prevailing interest rate the day after your next statement date once the outstanding minimum payments are made for two consecutive statements on or before the respective payment due dates.
- Please refer to www.maybank2u.com.sg for full Terms and Conditions.
