- 2.3. New Cardmembers may select the Selected Categories only after the new Card has been activated.
- 2.4. In order to select the Selected Categories, the Cardmember must download the Maybank TREATS SG mobile application, then select and confirm the Selected Categories via the Benefit Selection page under the Benefit Selection icon in the application. The selection and confirmation of Selected Categories made shall be applicable for the first Lock-In Period (as defined below) and no changes to the selection will be allowed.
- 2.5. Selected Categories will take effect on the first day of the following calendar month. The Selected Categories will apply to the Cardmember for a period of three (3) months from the effective date ("Lock-In Period"). Maybank reserves the right to amend the length of the Lock-In Period from time to time without prior notice or liability to any person.

### 3. Additional Bonus Category

Cardmembers can receive 8% Cashback for eligible retail transactions in the Additional Bonus Category of Malaysian Ringgit Spend ("Additional Bonus Category") as set out below:

Additional Cashback Category	Description
Malaysian Ringgit Spend (Additional Bonus Category)	Eligible retail transactions in Malaysian Ringgit which are not transactions counted towards the five (5) Default Categories or Selected Categories (whichever applicable)

#### 3.1. Malaysian Ringgit Spend transactions refer to:

3.1.1. eligible retail transactions charged in Malaysian Ringgit on his/her Card that are not transactions which fall under Cardmember's Default Categories or Selected Categories (as the case may be); or

3.1.2. eligible retail transactions charged in Malaysian Ringgit on his/her Card which also fall under one of the Cardmember's Default Categories or Selected Categories (as the case may be) after the Cardmember has charged more than S\$312.50 to that Default Category or Selected Category (as the case may be) during that calendar month.

3.2. This Additional Bonus Category will be automatically applicable to all Cardmembers, and cannot be changed.

3.3. For avoidance of doubt, please note that the transactions excluded in Clause 5.7 will not be considered eligible retail transactions.

### 4. Minimum Spend

4.1. To receive the 8% Cashback under a Default Category, Selected Category (as the case may be) or Additional Bonus Category for any calendar month, Cardmembers must charge a minimum aggregate amount of S\$800 in eligible transactions to a Card within the calendar month ("Minimum Spend").

4.2. For the avoidance of doubt, if Cardmembers do not meet the required Minimum Spend for a particular calendar month, such Cardmembers will only receive 0.3% base cashback for that calendar month.

4.3. The maximum cashback that a Cardmember can receive for the 8% Cashback is S\$25 per Default Category, Selected Category (as the case may be) or Additional Bonus Category per calendar month, up to an aggregate amount of S\$150 per calendar month under all the six (6) Cashback Categories.

4.4. Once the maximum cashback for a Default Category, Selected Category (as the case may be) or Additional Bonus Category for a particular calendar month is reached,

Cardmembers will continue to earn cashback for that Cashback Category at the prevailing basic rate of 0.3% for that calendar month.

- 4.5. Maybank will use the date on which the eligible transactions are posted to the Cardmember's Card account to determine whether the Minimum Spend for a calendar month is met. Transactions made within a calendar month but are posted only to the Card account in the next calendar month will only be considered in the determination of whether the Minimum Spend has been met for the next calendar month.
- 4.6. Eligible transactions charged to a supplementary Card under the principal Cardmember's Default Categories or Selected Categories (as the case may be) or Additional Bonus Category will be taken into consideration in the determination of whether the Minimum Spend for the principal Card has been met. Cashback earned from transactions charged to the supplementary Card will be awarded to the principal Cardmember's Card account.
- 4.7. The 8% Cashback will automatically be credited into the eligible Cardmember's Card account if the transaction is made at an outlet that is listed as an outlet of a merchant in a Default Category or Selected Category (as the case may be) in Maybank's records. In the event the outlet is not listed as an outlet of the merchant in the relevant Cashback Category in Maybank's records, the cashback will only be credited after Maybank has been informed by the merchant in the Cashback Category of the outlet and has updated its records accordingly.

## 5. General
