Default Categories and Selected Categories

12. The five (5) default Cashback Categories, which are assigned to new and existing Cardmembers, are: Groceries, Transport, Dining & Food Delivery, Retail & Pets, and Data Communication & Online TV Streaming (“Default Categories”).
13. Cardmembers may change the Cashback Categories by selecting any five (5) of the eight (8) Cashback Categories (“Selected Categories”). If no selection of Selected Categories is made by the Cardmember, the Default Categories will apply.
14. New Cardmembers may select the Selected Categories only after the new Card has been activated.
15. In order to select the Selected Categories, the Cardmember must download the Maybank TREATS SG mobile application, then select and confirm the Selected Categories via the Benefit Selection page under the Benefit Selection icon in the application. The selection and confirmation of Selected Categories made shall be applicable for the first Lock-In Period (as defined below) and no changes to the selection will be allowed.
16. Selected Categories will take effect on the first day of the following calendar month. The Selected Categories will apply to the Cardmember for a period of twelve (12) months from the effective date (“Lock-In Period”).
17. Selected Categories for the next Lock-In Period can be selected in the last one (1) calendar month of an existing Lock-In Period. Upon the selection and confirmation of Selected Categories for the next Lock-In Period, no changes to the selection will be allowed. Such Selected Categories will take effect on the first day of the following calendar month. If no selection of Selected Categories for the next Lock-In Period is made, the current Selected Categories shall continue to apply until the next selection is made.

Minimum Spend

18. To receive the 8% Cashback under a Default Category or Selected Category (as the case may be) for any calendar month, Cardmembers must charge a minimum aggregate amount of S\$800 in eligible transactions to a Card within the calendar month (“Minimum Spend”).

19. For the avoidance of doubt, if Cardmembers do not meet the required Minimum Spend for a particular calendar month, such Cardmembers will only receive 0.3% base cashback for that calendar month.
20. The maximum cashback that a Cardmember can receive for the 8% Cashback is S\$25 per Default Category or Selected Category (as the case may be) per calendar month, up to an aggregate amount of S\$125 per calendar month under all the five (5) Cashback Categories.
21. Once the maximum cashback for a Default Category or Selected Category (as the case may be) for a particular calendar month is reached, Cardmembers will continue to earn cashback for that Cashback Category at the prevailing basic rate of 0.3% for that calendar month.
22. Maybank will use the date on which the eligible transactions are posted to the Cardmember's Card account to determine whether the Minimum Spend for a calendar month is met. Transactions made within a calendar month but are posted only to the Card account in the next calendar month will only be considered in the determination of whether the Minimum Spend has been met for the next calendar month.
23. Eligible transactions charged to a supplementary Card under the principal Cardmember's Default Categories or Selected Categories (as the case may be) will be taken into consideration in the determination of whether the Minimum Spend for the principal Card has been met. Cashback earned from transactions charged to the supplementary Card will be awarded to the principal Cardmember's Card account.
24. The 8% Cashback will automatically be credited into the eligible Cardmember's Card account if the transaction is made at an outlet that is listed as an outlet of a merchant in a Default Category or Selected Category (as the case may be) in Maybank's records. In the event the outlet is not listed as an outlet of the merchant in the relevant Cashback Category in Maybank's records, the cashback will only be credited after Maybank has been informed by the merchant in the Cashback Category of the outlet and has updated its records accordingly.

General

25. The Cardmember can view the eligible transactions under the Cashback Categories and the cashback earned in the Maybank TREATS SG mobile application via the Benefits Optimizer page under the Benefit Selection icon.
26. Cashback is computed based on 2 decimal places per transaction without any rounding.

27. All cashback is credited to the Card account by the next Card statement or at a date to be determined by Maybank and computed based on the date which the transaction is posted by the merchant. Cashback is not transferable, so any accumulated cashback will be forfeited if a Cardmember terminates the Card account. Any refunded, disputed, unauthorised or fraudulent retail purchases as well as Goods and Services Tax (GST) will not be taken into account in the cashback calculations.
28. Maybank reserves the right to reverse and/or restructure the cashback awarded to a Cardmember by debiting the Cardmember's Card account accordingly in the following events:
- a) a Card transaction is (in full or in part) cancelled or reversed by any party for any reason;
 - b) the cashback awarded to a Cardmember exceeds the specified cap; or
 - c) it is determined by Maybank that the Cardmember has breached any of the terms and conditions stated herein.
29. Maybank's decision on all matters relating to the Cashback Programme shall be final, conclusive and binding on all Cardmembers and any other person. Maybank has the sole discretion to exclude any person from participating in the Cashback Programme without any obligation to furnish any notice and/or reason.
