INDIVIDUAL TAX RESIDENCY SELF-CERTIFICATION FORM INSTRUCTIONS

Please read these instructions before completing **page 4** and **page 7** of the form.

Income Tax (International Tax Compliance Agreements) (Common Reporting Standard) Regulations 2016 require Maybank Singapore Limited to collect and report certain information about an account holder's tax residence.

Each jurisdiction has its own rules for defining tax residence, and jurisdictions have provided information on how to determine if you are resident in the jurisdiction on the following website: <http://www.oecd.org/tax/automatic-exchange/>. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). If you are a U.S. citizen or tax resident under U.S. law, you should indicate that you are a U.S. tax resident on this form and you may also need to fill in an IRS W-9 form.

For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal.

If your tax residence (or the account holder, if you are completing the form on their behalf) is located outside Singapore, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to Inland Revenue Authority of Singapore ("IRAS") and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

You can find summaries of defined terms such as an account holder, and other terms, in the Appendix.

This form will remain valid unless there is a change in circumstances relating to information, such as the account holder's tax status or other mandatory field information that makes this form incorrect or incomplete. In that case you must notify us and provide an updated self-certification. This form is intended to request information consistent with local law requirements.

Please fill in this form if you are an individual account holder, sole trader or sole proprietor.

For joint account holders, please complete page 7.

Where you need to self-certify on behalf of an entity account holder, do not use this form. Instead, you will need an "FATCA/CRS Entity Self-Certification Form." Similarly, if you are a controlling person of an entity, please fill in the "CRS Controlling Person Self-Certification Form - Annex" of a "FATCA/CRS Entity Self-Certification Form" instead of this form.

If you are filling in this form on behalf of someone else.

Please tell us in what capacity you are signing in Part 3. For example, you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a power of attorney. A legal guardian should complete the form on behalf of an account holder who is a minor. As a financial institution, we are not allowed to give tax advice. Your tax adviser may be able to assist you in answering specific questions on this form. Your domestic tax authority can provide guidance regarding how to determine your tax status. You can also find out more, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD automatic exchange of information portal.

With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Financial Account” A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

“Reportable Person” A Reportable Person is defined as an individual who is tax resident in a Reportable Jurisdiction under the tax laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

“TIN” (including “functional equivalent”) The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction.
