

How to view your Maybank assets & borrowings under the Wealth Dashboard on Maybank2u Online Banking

Login to Maybank2u Online Banking and click on 'Wealth' to view. Click on each asset to view in detail.

Click on the arrow to switch between assets and borrowings.

Scroll down to view your assets or borrowings information in historical view, data available up to past 24 months.

- Filter your holdings to see data by individual assets or borrowings

You can also view your finances by 'Asset Classification'.

Log in to Maybank2u Online Banking to try it out now!
