3. PayNow Registration

Register for PayNow by linking your company's Unique Entity Number (UEN) to your preferred Maybank SGD Corporate Account. By appending a 3-character alphanumeric suffix¹ to the UEN, you can create more PayNow IDs and link them to different account(s):

<u>PayNow ID</u>			<u>Corporate Account Number:</u>
Unique Entity Number (UEN):	(mandatory)	→	
<u>And/or add</u>	<u>Suffix</u> ¹	→	
Example	8 8 8	→	0 4 0 1 2 3 4 5 6 7 8
UEN as indicated above		→	
		→	
		→	
		→	

Notes:

¹ Valid characters for the suffix include A-Z (in Uppercase); 0-9.

For existing Business Internet Banking (BIB) customers:

You may submit the BIB Maintenance Form to sign up for PayNow Services as well. This will allow the authorised users to perform the following via BIB:

- Maintain PayNow ID (Register new PayNow IDs, amend as well as de-register existing PayNow IDs)
- Generate PayNow QR code
- Generate the PayNow Transaction Report

For more information on how to fill out the BIB Maintenance Form, please visit maybank.sg/pnqr

For existing Maybank2E customers:

You may submit the Maybank2E UPAM Maintenance Form to sign up for PayNow Services as well. This will allow the authorised users to perform the following via Maybank2E:

- Maintain PayNow ID (Register new PayNow IDs, amend as well as de-register existing PayNow IDs)
- Identify PayNow Incoming and Outgoing Payments

For assistance on the UPAM Maintenance Form, please email to: sgtbimp@maybank.com.sg
