Using Maybank Platinum Debit Card for signature-based retail and online transactions

1. Is my new Maybank Platinum Debit Card pre-activated for Mastercard signature-based, contactless and online transactions?

Maybank Platinum Debit Cards issued at Maybank Branches are pre-activated for signature-based, contactless and online transactions. You may start using your Card for retail purchases immediately upon activation.

For non-branch issued Maybank Platinum Debit Card, please activate your Card by following the instructions on your card mailer in order to use your card for retail purchases. You may also activate your Card via Maybank Online Banking Mobile App by following the steps indicated [here](#).

2. What are my daily and monthly spending limits for retail and online transactions via Mastercard?

Your new Maybank Platinum Debit Card comes with a default daily and monthly spending limit of S\$1,000 and S\$3,000 respectively. You may choose to increase this limit according to your needs. Please visit any local Maybank ATMs if you wish to change the limit(s).

3. Do I need to top up my Maybank Platinum Debit Card for retail purchases?

There is no need to top up your Maybank Platinum Debit Card for retail purchases as the transaction amount will be directly deducted from your Savings or Current account that is linked as the primary account.

4. Can I use my Maybank Platinum Debit Card for online transaction / phone transactions?

You may use the Maybank Platinum Debit card only for online transactions but not for mail or telephone orders.

5. Will I get any SMS transaction alert for retail transactions?

You will receive a SMS transaction alert:

- a) when you first use a new card or renewal card;
- b) when you make retail or online purchases at or above the pre-defined threshold amount of S\$500 per transaction, or its equivalent if your transactions are charged in foreign currencies.

Activation of magnetic stripe for overseas use

1. Why is the magnetic stripe deactivated for my Platinum Debit Card?

This is part of a banking industry initiative to further protect you against card fraud.

2. Do I need to activate the magnetic stripe on my Platinum Debit Card for overseas use?

Yes, you would need to. In addition, you will need to activate the overseas ATM cash withdrawal feature on your Card

3. Do I need to de-activate the magnetic stripe when I return from overseas?

When you are activating the magnetic stripe, you will need to indicate a start and end date of the activation. You may wish to coincide the activation period with your trip. The magnetic stripe will be automatically deactivated after the end date.

4. Can the magnetic stripe on my Card be activated perpetually?

Yes, you can do so. However, we do not advise so as there is a higher risk of unauthorised transactions occurring on your card since data on the magnetic stripe can be easily copied. You should activate it only when you are travelling overseas.

How to view the retail and online transactions on my Maybank Platinum Debit Card

1. How can I view my transactions done on my Maybank Platinum Debit Card?

You will need to apply for internet banking and view the transaction history in your Savings or Current account linked to the Platinum Debit Card for retail and online transactions. Alternatively, you can update your Passbook or refer to your bi-monthly SaveUp account statement or eStatement for your retail and online transactions. Due to space limitation in Passbook, the name of the merchant/merchant outlet will not be printed in Passbook. However, you can view the name of the merchant/merchant outlet via Internet Banking by viewing your Savings or Current account transaction history.

Earning TREATS Points for my signature-based retail spending and online transactions

1. Do I earn TREATS Points for my signature-based retail spending and online transactions?

TREATS Points programme awards you TREATS Points for Mastercard signature-based, contactless and online retail spending. You will earn 1X TREATS Point for every S\$5 retail transaction charged to your Maybank Platinum Debit Card.

2. How do I check my TREATS Points?
