## 8. What happens to the funds when the Time Deposit I placed online matures?

Your Time Deposit account will be automatically renewed at the prevailing interest rates for the same tenure as your existing account, unless otherwise instructed at the point of your account opening.

## Funds Transfer via FAST

### 1. What is FAST?

FAST (Fast And Secure Transfers) is a new electronic funds transfer service which allows customers to use an Internet banking account at a participating bank to transfer funds to another participating bank almost instantly. Customers will be able to transfer funds almost instantaneously from one bank to another bank, compared to 2 to 3 working days for e-Giro and cheques. FAST will be available 24/7 and is limited to funds transfers within Singapore.

### 2. Which are the participating banks for FAST?

You may wish to refer to [ABS website](#) for full listing of the participating banks.

### 3. What are the benefits of FAST compared to eGIRO/MEPS+?

FAST benefits include:

- a. Almost immediate transfer/receipt of funds
- b. Available anytime: 24x7, 365 days a year

### 4. How can I do a FAST transfer?

You will need to set up a payee via Online Banking if you have not done so. Thereafter, you can do a FAST transfer via the following modes:

Online Banking via desktop:

1. Log in to Online Banking.
2. Upon successful login, select "Pay & Transfer".
3. Click on "To Accounts with Maybank and Other Banks" > "To Another Bank".
4. Select "Within minutes (via FAST)" when prompted to choose the mode of transfer.
5. Select the payee you wish to make a transfer to. Only account payees from the other 20 participating banks of FAST will be available for you to select.
6. Thereafter, please provide details of your transfer and submit your transaction after entering the One-Time Password (OTP)\* to confirm your request.

Mobile Banking App:

1. Log in to Mobile Banking App
2. Upon successful login, select "Funds Transfer"
3. Select "To Another Bank (Within Minutes Via FAST)"

4. Select the payee you wish to make a transfer to. Only account payees from the other 20 participating banks of FAST will be available for you to select.
5. Thereafter, please provide details of your transfer and submit your transaction after entering the One-Time Password (OTP)\* to confirm your request.

Mobile Banking via browser:

1. Log in to Mobile Banking using the browser on your mobile device.
2. Upon successful login, select "Funds Transfer".
3. Click on "To Another Bank (Within minutes via FAST)" when prompted to choose the mode of transfer.
4. Select the payee you wish to make a transfer to. Only account payees from the other 20 participating banks of FAST will be available for you to select.
5. Thereafter, please provide details of your transfer and submit your transaction after entering the One-Time Password (OTP)\* to confirm your request.

\*Transaction Signing is required for FAST transfer amount more than S\$20,000

#### **5. How do I know that the transfer is successful?**

You will be notified on the status of the FAST transaction online, whether it is successful or unsuccessful, once the transaction is completed. If the transaction is unsuccessful, there will also be an error message and error code displayed online to inform customers.

#### **6. Why is it that the system indicates that the transfer is successful but the recipient has not received the funds?**

If the system shows that the transaction is "Successful", it means that the funds have been remitted out from the Maybank account to the receiving bank. Hence, please inform the recipient to check with the receiving bank on the reasons for non-receipt of the funds.

#### **7. After keying in the OTP and clicking on the "Confirm" button to proceed with the transaction, I waited for more than 30 seconds but nothing seems to be happening.**

The delay may be due to communications or system issues. If you do not see the status of your transaction, please perform the following steps via Online Banking:

1. Log in to Online Banking
2. Upon successful login, select "Funds Transfers"
3. Click on "To Accounts with Maybank and Other Banks" > "View Transaction History" to confirm if your transaction is successfully processed

#### **8. Why was my FAST transaction rejected?**

There is a number of reasons why a transaction can be rejected, such as the transfer was made to a closed or an invalid account, or it could be due to some technical issues. An error message will be displayed online when your transaction has been rejected.

**9. Will there be charges for using FAST?**

There are no charges for FAST transactions performed via personal (non-corporate) accounts.

**10. Can I transfer to any bank account in Singapore via FAST?**

Transfers via FAST can only be made to bank accounts of the participating banks. Transfers to non-participating banks would have to be made via eGIRO or MEPS.

You may wish to refer to ABS website for full listing of the participating banks.

**11. Why can't I make a FAST Transaction to a non-participating bank?**

Currently, only 20 banks are participating on this FAST platform. If you would like to make a funds transfer to a non-participating bank, please use eGIRO or MEPS.

**12. Can I make a FAST transfer any time of the day?**

You can make FAST transactions any time of the day.

Occasionally, Maybank will conduct system maintenance during which the FAST service will be unavailable. Customers will be notified via our website notice accordingly.

**13. Is FAST the only option for funds transfer?**

Maybank provides our customers with the choice of sending funds via FAST, eGIRO or MEPS. You can continue to send via eGIRO or MEPS if you do not wish to send via FAST.

**14. What is the maximum amount that I can send via FAST?**

For FAST transactions, customers can transfer up to S\$200,000 per transaction. However, by default, the daily limit for all online funds transfers for Maybank customers is set at S\$3,000. Hence, if you wish to make a FAST transaction for an amount greater than S\$3,000 (e.g. S\$10,000 per transaction), please increase your daily limit via Online Banking before you perform the FAST transaction. Customers can increase the FAST daily transaction limit up to S\$200,000.

## Unit Trusts - Subscription

### 1. What do I need before I can subscribe to unit trust online?

You will need

- An existing Maybank Savings, Current or CreditAble Account with access to Online Banking
- To be at least 21 years old
- An existing unit trust investment account.

Online subscriptions will receive a 50% discount off the sales charge, that is, you pay 2.5% for 5% Sales Charge Funds, and 1.5% for 3% Sales Charge Funds. Additional discounts may also be given during promotional periods.

### 2. Can I subscribe to a unit trust without an existing investment account?

No. You will need an investment account to begin subscription. You may login to [www.maybank2u.com.sg](http://www.maybank2u.com.sg) to sign up for a Unit Trust account.

### 3. Can I subscribe to unit trust any time I choose?

Yes. This service is available 24 hours daily, including Sundays and public holidays.

### 4. Will my subscription be processed and confirmed immediately?

Subscriptions made before 3.30 pm from Mondays to Fridays will be processed on the same day, unless the transaction falls on a public holiday.

Subscriptions made after 3.30 pm from Mondays to Fridays will be treated as the next business day's transaction. The subscription will be processed by the next business day, unless the transaction falls on a public holiday.

Orders will be confirmed within 3 business days.

### 5. When will my account be debited for my unit trusts purchase?

Your designated Maybank Savings, Current or CreditAble Account will be debited at the point of subscription.

### 6. Can I subscribe online using my CPF funds?

This option is currently not available online.

**7. What is the transaction price used for my subscription?**

The prices listed on our website are indicative. Units are priced on a forward basis, meaning that you will not know the exact price at which you are transacting. Your transaction price will be calculated based on the closing market prices of the day of your subscription, which will be published in the newspapers and posted on our website 2business days after the transaction.

**8. What is the minimum subscription amount?**

The minimum subscription amount varies with different funds. The actual amount will be displayed after you have selected a fund for subscription.

**9. Will I be charged for subscribing to unit trusts online?**

Yes, the prevalent sales charges will apply, and will be deducted from your subscription amount.

**10. Do I get a discount if I subscribe to unit trusts online?**

Yes, online subscriptions will receive a 50% discount off the sales charge, that is, you pay 2.5% for 5% Sales Charge Funds, and 1.5% for 3% Sales Charge Funds.

Additional discounts may also be given during promotional periods.

**11. How do I keep track of my fund?**

Once your subscription has been processed, you will receive a confirmation advice detailing your number of holdings and transaction price. You may wish to keep track of your investment by checking the newspapers and our website for the price of your Fund.

You will also receive a statement of holdings issued by Maybank every month.

Once your subscription has been placed, you may also login to your Unit Trust Account to check your transaction history.

**12. Where can I find a record of my subscription history?**

You may view your transaction history and subscription status via "Account Summary" and "Transaction History".

## Unit Trusts - Cancellation

### **1. How is a cancellation request processed? Is there a cancellation fee?**

Your cancellation request will be processed as per a normal redemption request, in accordance with the prospectus of the Fund.

The refund amount will be calculated using the market value of the unit trust price at the point of cancellation.

Please note that you will have to bear any losses if the value of your unit trust on the cancellation date is lower than the original value at the time of subscription.

If the market value of the units held on the cancellation date is greater than the original subscription amount, you will not be entitled to the excess amount.

In both cases, the initial sales charge paid will be refunded to you.

### **2. Can I exercise the cancellation right online?**

No. You cannot cancel your subscription online.

### **3. Will I be charged for exercising my cancellation right?**

No. You will not be charged for cancellation.

### **4. When will I receive my cancellation proceeds?**

Cancellation proceeds will be effected within 6 business days.

### **5. Can I redeem/switch my units online during the 7-day cooling period?**

No. You cannot redeem/switch your unit trust online during the 7-day cooling period. To redeem/switch your subscription within the 7-day cooling period, please contact our Maybank Financial Executives (Robinson Road Branch) at (65) 6222 7947. Redemption/Switching procedures as stated in the prospectus of the unit trust will apply.

Please note that if you choose to redeem instead of exercising your right to cancel, the initial sales charge paid will not be refunded and you may be charged a redemption fee.

## Unit Trusts - Redemption

**1. Can I redeem my unit trust any time I choose?**

Yes. This service is available 24 hours daily, including Sundays and public holidays.

**2. How soon does it take for my redemption to be processed and confirmed?**

Redemption made before 3.30 pm from Mondays to Fridays will be processed on the same day, unless the transaction falls on a public holiday.

Redemptions made after 3.30 pm from Mondays to Fridays will be treated as the next business day's transaction. The redemption will be processed by the next business day unless the transaction falls on a public holiday.

Orders will be confirmed within 3 business days.

**3. What is the transaction price used for my subscription?**

The prices listed on our website are indicative. Units are priced on a forward basis, meaning that you will not know the exact price at which you are transacting. Your transaction price will be calculated based on the closing market prices of the day of your subscription, which will be published in the newspapers and posted on our website 2 business days after the transaction.

No. You do not need to pay any charges to open an investment account. This account also does not have any maintenance fees.

**3. Are there any age limitations?**

Yes, you have to be at least 21 years old to open an investment account.

**4. Can I subscribe to unit trusts immediately after opening an investment account online?**

Yes. You can choose to subscribe to unit trust immediately after your account opening or at a later stage.

## **Unit Trusts - Customer Knowledge Assessment**

**1. What is Customer Knowledge Assessment (CKA)?**

With effect from 1 January 2012, all financial intermediaries (including banks) are required to formally assess whether retail investors have the relevant investment knowledge or experience to understand the risks and features of the specific investment products they are buying. This assessment is known as the CKA.

**2. How is the CKA applicable to me?**

You will be prompted to go through the CKA before you can proceed to invest online. The CKA is a simple questionnaire where you will need to provide factual information regarding your educational qualifications, investment experience and work experience.

**3. What are the criteria set for the CKA? Do I have to meet all three criteria in order to be assessed to have the relevant knowledge or experience (i.e. positive outcome of the CKA)?**

For a positive outcome of the CKA, you need to satisfy one of the following criteria to proceed with the online investment:

Educational Qualification	<ol style="list-style-type: none"><li>1. Holds a diploma or higher qualification in one of the following:<ul style="list-style-type: none"><li>• Accountancy</li><li>• Actuarial Science</li><li>• Business/ Business Administration/ Business Management/ Business Studies</li><li>• Capital Markets</li><li>• Commerce/ Economics</li><li>• Finance/ Financial Engineering/ Financial Planning/ Computational Finance</li><li>• Insurance</li></ul></li><li>2. Has any Professional finance-related qualification:  e.g. Chartered Financial Analyst Examination (conducted by the CFA Institute, USA), Association of Chartered Certified Accountants (ACCA) Qualifications</li></ol>
Investment Experience	Has a minimum of 6 transactions in the preceding 3 years on the following: <ul style="list-style-type: none"><li>• Collective Investment Schemes (CIS) and Investment-linked life insurance policies(ILP); or</li><li>• Unlisted *Specified Investment Products other than CIS and ILPs</li></ul>
Work Experience	Has a minimum of 3 consecutive years of working experience in the past 10 years in any of the following: <ul style="list-style-type: none"><li>• Development/ Structuring/ Management/ Sale/ Trading/ Research and Analysis of Investment Products</li><li>• Provision of Training in Investment Products</li><li>• Accountancy</li><li>• Actuarial Science</li><li>• Treasury</li><li>• Financial Risk Management</li></ul>

\*Specified Investment Products are likely to contain derivatives, and may have features, and risks that can be more difficult for retail consumers to understand. Examples include structured notes, exchange traded funds, exchange traded notes, investment linked insurance policies, warrants and options, futures, and certificates.

**4. For the criteria on investment experience, can I include transactions I have done with other financial intermediaries?**

Yes. It includes all transactions that you have made through any financial intermediaries in the past 3 years.

**5. Do I have to provide supporting documents for the satisfaction of the criteria under the CKA?**

No, you will not be required to provide supporting documents for verification. It will be based on your declaration and do note that any inaccurate or incomplete information provided by you may affect the outcome of the CKA.

**6. If I have more than one investment account with you, do I have to go through the assessment separately for each of my account?**

No. The CKA will be conducted at a customer level and not at an account level. The same outcome of the assessment will apply to all of your investment accounts with the Bank.

**7. If I did not satisfy at least one of the CKA criteria, does it mean that I will not be able to place online transactions?**

In the event you do not meet at least one of the criteria under the CKA, you will not be able to proceed with the online transaction. You may only proceed to execute your sell orders online. All other types of online transactions (including buy, switch transaction etc) will be blocked.

**8. What should I do if I still want to purchase the investment product even though I am unable to satisfy at least one of the CKA criteria?**

In the event you do not satisfy at least one of the criteria under the CKA , system will prompt you to provide your email address and contact numbers for our Wealth Manager to contact you for the provision of advice on the investment products. Alternatively, please visit any of our Branch for more assistance.

**9. I have a joint account. I have been assessed under the CKA to have a positive outcome. Is the joint applicant required to complete the CKA before I can proceed with the purchase?**

No. The CKA is conducted at a customer level and with the positive outcome, you may proceed to invest with the Bank using all the investment accounts available to you online. In the event the joint applicant does not have a positive outcome, he/she will not be able to proceed with the investment.

**10. How soon can I go through and update my CKA if I have failed to satisfy the CKA criteria previously?**

The negative outcome of your CKA will be retained in the Bank's record for seven days. You may proceed to go through and update your CKA again after seven days from your last assessment date.

**11. How often do I need to be assessed under the CKA?**

If you are assessed to have fulfilled the requirements of the CKA, the positive outcome will be valid for one year from the date of your assessment. After a year has elapsed, you will be required to go through the CKA again before you may continue with your usual online transactions.

**12. Would I be informed of my CKA results?**

You will be informed of your assessment outcome immediately after completing the CKA. For those who have fulfilled the requirements of the CKA, you will also be notified on the expiry date of the CKA result.

**13. If I have already been assessed under CKA with another financial intermediary, will I need to be assessed under the CKA with you again?**

Yes. MAS requires intermediaries to be responsible for conducting their own CKA. Therefore, the outcome of the CKA conducted with another financial intermediary cannot be transferred.

## **Updating of Personal Particulars**

**1. How can I update my address and contact details via Online Banking?**

**3. Can I change my Username?**

You are allowed to change your Username only once during your login for the first time.

## **Unable to load Maybank Online Banking**

**1. Why am I unable to access to Maybank Online Banking?**

Maybank Online Banking will no longer support SSL3 (Secure Socks Layer version 3) to prevent POODLE attack. We encourage our customers to disable SSL3 on their web browser immediately or upgrade to latest web browsers

**2. What is POODLE?**

POODLE is a vulnerability found on SSL3. SSL is used to establish an encrypted link between a website and a web browser (such as Internet Explorer) to keep customer's credentials and transactions secure. With this vulnerability, an attacker may steal certain confidential information such as account details.

**3. How can I protect myself from POODLE?**

You can disable SSL3 and enable TLS on your web browser. Internet Explorer 6 (and below) does not support TLS. If you are using IE 6 (and below), you have to download and install newer version of Internet Explorer or use an alternate browser. You may also download and install the following web browsers which disabled SSL3 by default:

- Google Chrome (Version 40 and above)
- Mozilla Firefox (Version 36 and above)

**4. What is the purpose of enabling TLS encryption?**

TLS is an upgraded version of SSL. It is more secure compare to SSL.

**5. Will my internet security be at risk if SSL3 encryption is disabled?**

SSL3 is no longer secure due to POODLE vulnerability. Attacker can exploit this vulnerability to steal certain confidential information. Therefore, it is more secure if you disable SSL3 encryption.

**6. By disabling SSL3, will it affect my access to other websites or systems?**

No, it will not affect your access to other websites or systems. Due to POODLE vulnerability, many banks and companies have disabled their SSL3 support on their websites.

**7. Do I have to configure this setting whenever I access Maybank Online Banking?**

Disabling SSL3 and enabling TLS is a one-time configuration setup. You do not need to reconfigure each time you access Maybank Online Banking.

**8. Do I need to reset the settings after I log out of Maybank Online Banking?**

You do not have to reset the settings after you log off Maybank Online Banking. It is more secure to keep SSL3 disabled.
