**eTiqa**

**ePROTECT mortgage** is an affordable way to safeguard the home you have worked hard to build. Our mortgage reducing term policy provides comprehensive cover and is designed to take care of your mortgage loan in the event that you no longer can.

### Simple solution to protect your responsibilities

#### Comprehensive cover

Receive a lump sum benefit in the event of death, total and permanent disability or terminal illness. When needed, we also provide cash advance for immediate funeral expense financial aid.

#### Tailored and affordable premiums to best suit your needs

- Choice of policy term between 6 to 40 years or up to 75 age next birthday, whichever is earlier.
- Choose your preferred interest rate from 1% to 4% depending on your mortgage loan interest rate.

#### Limited premium term

Pay premiums for only 90% of your policy term, e.g. pay 27 years for 30 years of cover.

### Enhance your coverage with this rider for greater protection:

#### eXTRA secure waiver

Continue the policy without paying premiums if the life insured is diagnosed with a critical illness.

### Here's how it works:

Paul (35 age next birthday, non-smoker) recently bought his dream condominium with a S\$1 million loan from the bank.

Paul insures this amount with a 30-year **ePROTECT mortgage** policy reducing at 3% interest rate.

By paying just S\$1,060 yearly for 27 years, Paul is assured that his family can repay the bank loan in an unforeseen event.

The scenario(s) are for illustration purposes only.
