Terms and Conditions Governing the Multi-Currency e-Pay

By applying for the Multi-Currency e-Pay, I agree to be bound by the below terms and conditions.

- The Multi-Currency e-Pay is available to customers who hold a deposit account with the Bank and a trading account with Maybank Securities Pte. Ltd.
 - By applying for the Multi-Currency e-Pay the customer authorises the Bank to honour all payment instructions the Bank receives from Maybank Securities Pte. Ltd. and to debit the customer’s deposit account(s) which is linked to the Multi-Currency e-Pay accordingly (“Transaction”).
- The Bank reserves the right to set a value limit on the Transactions made through the Multi-Currency e-Pay. Customers will receive prior notification of the Transaction value limit.
- All accounts used in connection with the Multi-Currency e-Pay must be in good standing (as determined by the Bank) and remain valid for the Transaction to be debited successfully. The Bank has the right to approve or decline a Transaction at its discretion.
- Customers have the option of linking two deposit accounts held with the Bank to the Multi-Currency e-Pay: a primary account and a secondary account, as indicated in the Multi-Currency e-Pay application form. A Transaction will first be debited from the customer’s primary account. In the event that there are insufficient funds in the primary account the full Transaction amount will be debited from the secondary account. Where the customer has not indicated a secondary account and there are insufficient funds in the primary account the Transaction will be rejected. In the event a primary account is closed for whatever reason, the Bank will proceed to debit the secondary account provided that it is in the same currency as the primary account. In the event that there are insufficient funds in both the primary account and the secondary account the Transaction will be rejected.

- The currency of the Transaction will determine which account the Transaction will be debited from or credited to; for example a Transaction in USD, will be debited from the Maybank USD account linked to the Multi-Currency e-Pay.
- The Bank is not obliged to effect payment if Maybank Securities Pte. Ltd. does not request payment in the manner required by the Bank or if the customer's deposit account(s) has insufficient funds to meet it or to meet payment of all charges, fees or other sums payable by the customer to the Bank or the Bank's agents.
- A fee, as may be determined by the Bank from time to time may be charged for unsuccessful and successful debit instructions. The Bank may permit a debit at its discretion even if this results in an overdraft on your account, and impose charges accordingly.
- The Bank reserves the right to reverse any debit or credit amount from a customer's account without notification or liability to any party.
- On the date of effecting payment, the Bank reserves the right to determine the priority of this payment instruction against any cheque presented or any other existing arrangements made with the Bank.
- Should a customer close a deposit account or wish to terminate the Multi-Currency e-Pay, the customer should notify the Bank and Maybank Securities Pte. Ltd. accordingly and make alternative payment arrangements.
- For payments unsuccessfully debited from a customer's account, the customer remains responsible for making payment to Maybank Securities Pte. Ltd. by other means and/or makes alternative payment arrangements.
- The Bank shall not be liable for any loss or damage due to any failure to accept or act on, or for errors or delays or defaults of any kind either direct or indirect in accepting, or acting on, any instructions given by a customer, Maybank Securities Pte. Ltd. or any person to debit or credit any amount in connection with or pursuant to the Multi-Currency e-Pay arrangement or in respect of any claims made against a customer by any person in relation thereto.
- The Bank may at its discretion and at any time add to, alter, vary or modify all or any of the above terms and conditions by giving thirty days written notice.
- These Terms and Conditions should be read in conjunction with the Rules and Regulations governing the deposit account to which the Multi-Currency e-Pay is linked.
